## Help is coming to Antioch this winter!

**Improve business performance and reduce your energy costs with the help of PG&E and the Smart Lights Program.**

"As Mayor of Antioch, I welcome creative public-private partnerships such as this. Antioch's small businesses need assistance to reduce operating costs whenever possible. By providing this service, our businesses, citizens and environment will benefit!"

— Donald P. Freitas, Mayor, City of Antioch

"This program will be a great benefit to Antioch businesses. In collaborating with PG&E, we have a service offering major improvements at little to no cost, which will save money and our environment."

— Tom Torlakson, State Senator, District 7

"The Antioch Chamber is excited to partner with PG&E on this program. This is a tremendous opportunity for our Antioch businesses to improve their energy efficiency and reduce costs, making us more competitive and environmentally responsible."

— Devi Lanphere, President/CEO, Antioch Chamber of Commerce

**Be on the look-out for PG&E and Smart Lights, a program of the local non-profit, Community Energy Services.**

**We'll be in Antioch this winter to discuss low and no-cost measures to help you reduce your energy bill.**
