Help is coming to El Cerrito this winter!

Improve business performance and reduce your energy costs with the help of PG&E and the Smart Lights Program

"I am excited to see this partnership with PG&E and Smart Lights in this outreach effort. This is a tremendous opportunity for small businesses to improve their energy efficiency, reduces costs and be environmentally responsible."

~ Loni Hancock, Assembly Member, 14th District

"Energy audits are a smart business choice. This partnership will help El Cerrito businesses become more energy efficient and contribute to a better environment for our entire community."

~ Janet Abelson, Councilmember, City of El Cerrito

"Becoming energy efficient is a great way to increase the bottom line for small businesses. It fits in perfectly with what we are all about. This program makes sense for business."

~ John Stashik, Chair, El Cerrito Chamber of Commerce

Be on the look-out for PG&E and Smart Lights, a program of the local non-profit, Community Energy Services.

We'll be in El Cerrito this winter to discuss low and no-cost measures to help you reduce your energy bill.
