

Save Money on Your Energy Bill

Interested in saving money on your business' energy bill? The East Bay Energy Watch's BEST Program can help! The BEST staff will provide a free, customized analysis of your energy use and send a contractor to install high-quality, energy efficient equipment in your facility. The BEST Program pays high incentives directly to the contractor, so there is little or no out of pocket expense to you. On average, 75% of the cost of the project is covered, and in some cases, can be provided at no-cost.

Qualifying equipment includes indoor and outdoor lighting, heating and AC system controls, refrigeration controls, and other improvements. **We will be in your neighborhood soon to discuss low and no-cost measures to help you reduce your energy bill.** To schedule an appointment, call (800) 576-6405.

Highlights

- Receive no-cost building improvement recommendations
- Improve building performance
- Reduce energy costs
- Improve your bottom line
- Minimum hassle to you

"Saving energy makes good sense for business and the environment. This is a partnership that impacts the bottom line of every business that participates - we're pleased to be a part of it."

Scott Raty, President, Hayward Chamber of Commerce

“PG&E is excited to bring this outreach program for Hayward's small business community. PG&E has experienced much success in other East Bay cities who have participated in the benefits of low and no-cost energy efficiency upgrades for local businesses, many who are struggling to meet the growing competitive demands.”
